AVAS 2026 CALL FOR ABSTRACTS

Australia-Vietnam Symposium on Agricultural Innovation & Food Security 2026 (AVAS 2026)

The Vietnam–Australia Scholars & Experts Association – Western Australia Chapter (VASEA-WA) invites abstract submissions for **AVAS 2026**, bringing together researchers, academics, industry, government and students from Australia and Vietnam.

 **Submit your abstract:** <https://vasea.s.gy/submit>

Authors are kindly invited to submit an abstract of up to 300 words to share their work at this symposium under one of the following themes:

KEY THEMES

Theme 1: Agronomy, Sustainable Agriculture and Climate Resilience

Focus: Crop improvement, sustainable farming systems, precision agriculture, climate resilience, plant protection, agricultural microbiomes, AI and digital agriculture.

Theme 2: Plant Biotechnology, Genomics and Synthetic Biology

Focus: Genome editing, plant biotechnology, synthetic biology, functional genomics, gene regulation, bioinformatics, multi-omics and advanced breeding technologies.

Theme 3: Food Science, Nutrition and Emerging Technologies

Focus: Food quality and safety, nutrition, food processing, food supply chains, sustainable food systems and emerging technologies for food production.

Theme 4: Research Translation, Agribusiness and Agricultural Policy

Focus: Research translation, technology transfer, commercialisation, agribusiness, industry partnerships, agricultural policy and Australia–Vietnam collaboration.

WHO SHOULD SUBMIT?

Academics / Researchers / Industry / Government / Research students

Early-career researchers and HDR students are particularly encouraged to participate.

PRESENTATION FORMAT

Accepted abstracts may be presented **in person (preferred) or online**.

Format: Hybrid event (online presentation available)
